Game Design COVID-19 Guidelines

- Always enter and exit the building through the main entrances with a Covid screening station.
- Please sanitize your hands upon entering the labs.
- Your mask must be worn at all times when in the classroom, or on Sheridan campus.
- Cover your cough or sneeze with a tissue, or cough/sneeze into your elbow and not your hand.
- Use the washroom nearest your lab/classroom and wash your hands thoroughly afterwards.
- Once you have finished your work you must sanitize the keyboard/mouse/work area before you leave.
- Sanitizing Wipes can be found in the classroom.
- Please do not gather in proximity to each other in the labs and on campus.
- Water is permitted but must be stored in a sealable non-spill container.
- NO OTHER FOOD OR DRINK IS ALLOWED IN THE LABS.
- Please follow the posted hours of operation (to be posted) on the lab doors. Campus Security can ask you to leave the labs after the posted times.
- Stay home if you are feeling unwell. If you develop COVID-19 symptoms while on campus, notify your teacher or Campus Security, and go home immediately.
- Use of this space is to be used for academic work only.
- Failure to adhere to these guidelines by any Sheridan community member may result in removal from these spaces.
